# Publisher Correction: Nitrate reduction capacity of the oral microbiota is impaired in periodontitis: potential implications for systemic nitric oxide availability

Bob T. Rosier , William Johnston, Miguel Carda-Diéguéz , Annabel Simpson, Elena Cabello-Yeves, Krystyna Piela, Robert Reilly, Alejandro Artacho, Chris Easton, Mia Burleigh, Shauna Culshaw and Alex Mira

*International Journal of Oral Science* (2024)16:8

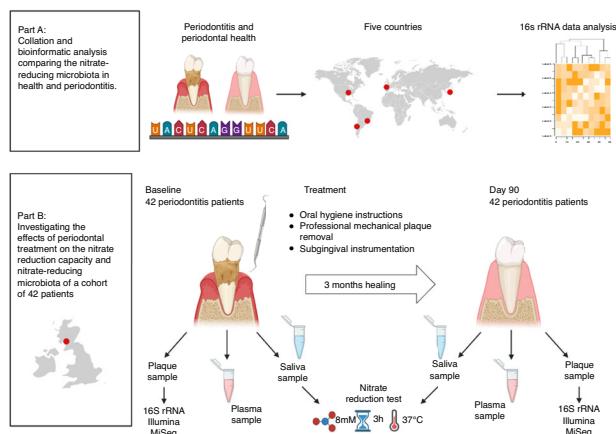

; <https://doi.org/10.1038/s41368-024-00283-2>

Correction to: *International journal of Oral Science* <https://doi.org/10.1038/s41368-023-00266-9>, published online 05 January 2024

Following publication of the original article<sup>1</sup>, the authors reported a typesetting error in figure 1.

In the previously published version, the bullet points under "Treatment" were not correctly structured.

The correct figure 1 should read:

The original article<sup>1</sup> has been updated.
